

CPU Graphic Organiser

What are two functions of the CPU?

Function 1:

Function 2:

Control Unit (CU)

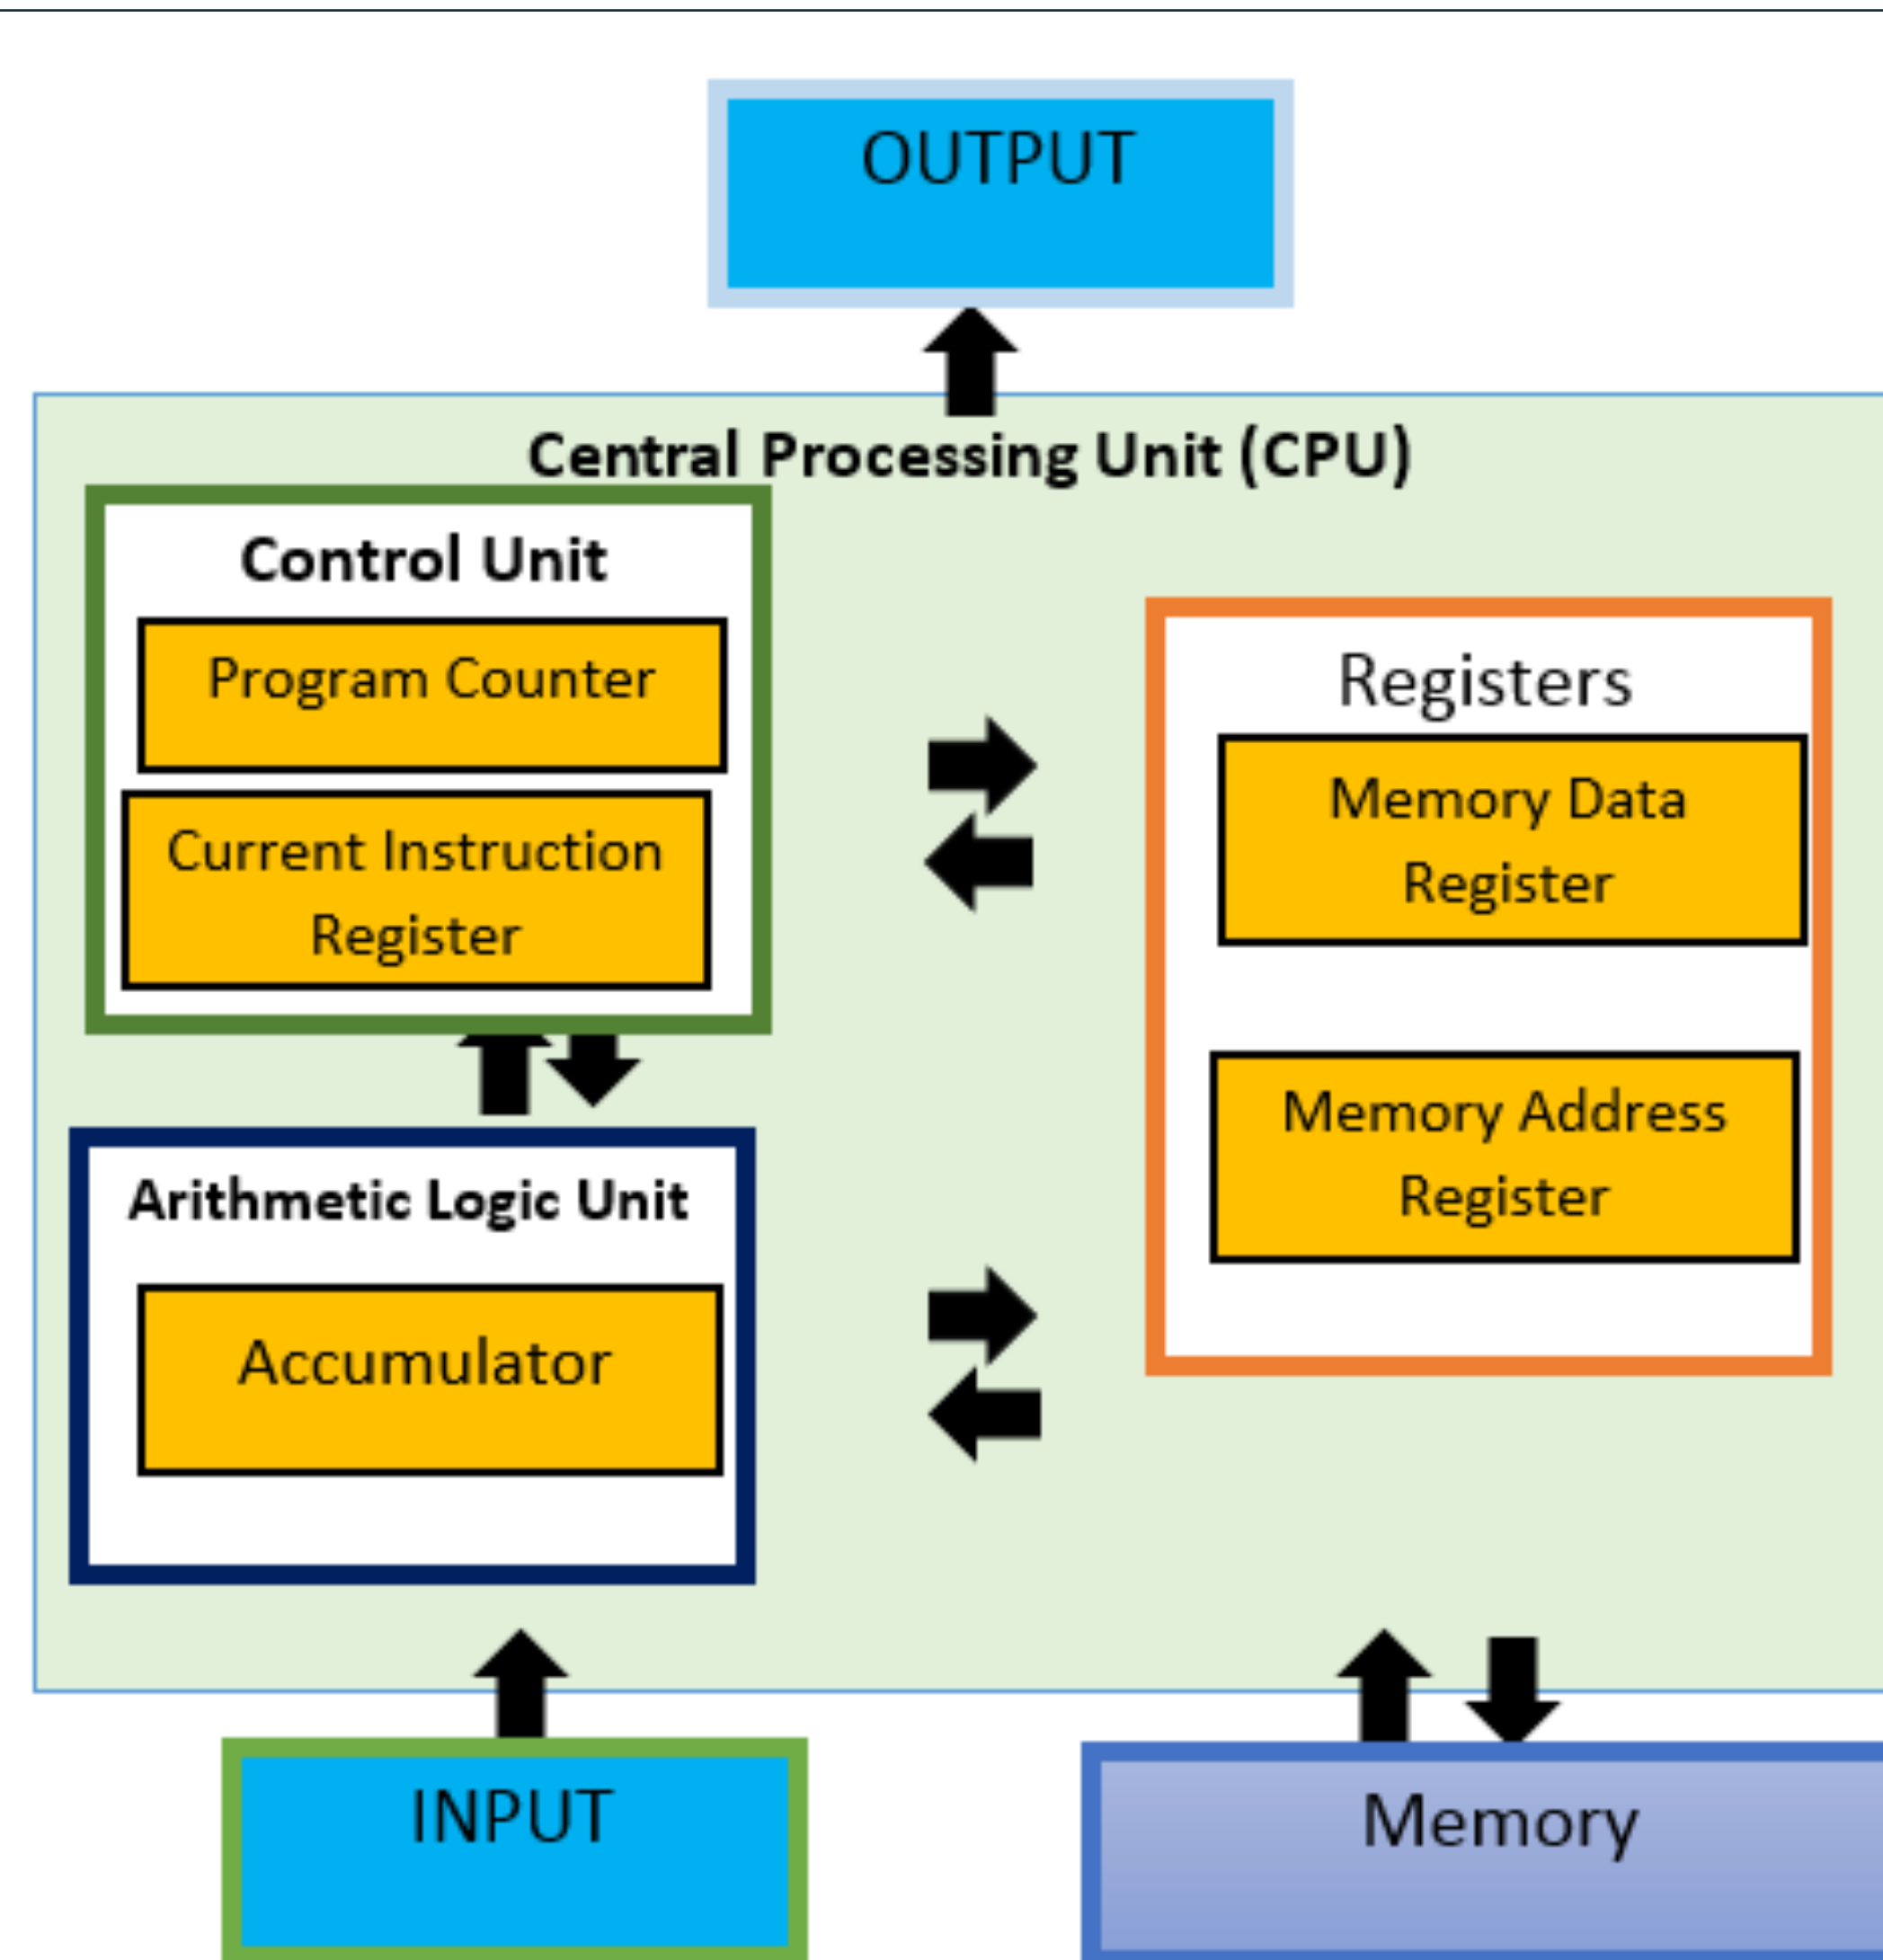

What is the CU?

What is the function of the CU?

Arithmetic Logic Unit (ALU)

What is the ALU?

What is the function of the ALU?

Memory Data Register

What is the this?

What is the function of the this?

Memory Address Register

What is the this?

What is the function of the this?
